

Pathfinder for Animal Adaptations - 4th Grade

US Fish and Wildlife Service

Choose an animal which can be found in North Carolina and learn about its characteristics and its habitats.

Reference Works –

KidsClick – Animals

<http://www.kidsclick.org/midanim.html>

This site has links to websites on all kinds of animals, from amphibians to zebras!

Wildfacts -

<http://www.bbc.co.uk/nature/wildfacts/>

From the BBC, this website has information about animals and explores species, habitat, diet, behavior, and interesting features.

Online Databases -

NC Wise Owl – *Grolier New Book of Knowledge*

<http://www.ncwiseowl.org/zones/elementary/index.htm>

Go to The New Book of Knowledge and click on Subject Browse, then Science and then animals.

This encyclopedia is a great resource to find information on the animal that you chose to learn about. You will find information on the sounds they make, their defenses, the food they eat and their senses.

Individual Websites -
