WHO NEEDS POETRY?
by C.B. Weatherford

Who needs poetry?
Kids who like rhythm
Kids who like rhyme
Kids on the fast-track
Kids who take their time
Kids who keep journals
Kids who love to write
Kids who curl up with a book
Each and every night.
Who needs poetry?
Kids who watch too much TV
And think that school's a bore
Kids who hate tests
And find homework a chore
Kids who are laid back
Kids who won't sit still
Kids who are motor-mouths
Kids who want to chill
Who needs poetry?
Kids who like to sing
Kids who feel the beat
Kids who like motion
Kids with dancing feet
Kids who like word-play
Kids who like to rap
Kids who crave a little treat
To savor in a snap!
