QUESTION

what is a digital footprint, and what does YOURS convey??

2

IT'S TAKE A POLL!

3

Have you ever sent a message, posted a comment online, or used a social-sharing app?

Poll

Have you ever created a profile on a social networking site?

Poll

Have you ever googled your own name?

Poll

It's important to understand that anything you post online remains there forever. It can be seen and shared by anyone with access to the internet. It can be used to identify you, even if you delete it. It can be used to track your movements and activities. It can be used to identify you to advertisers and other companies. It can be used to identify you to employers and other organizations. It can be used to identify you to anyone who knows how to find it.
