One day GRANDPA planted a TURNIP. It grew and grew until it became very large. Finally the time came to pull it. GRANDPA took hold of it and pulled and pulled (sing song).

But he could not pull the TURNIP out.

So, GRANDPA called GRANDMA to help. GRANDMA held on to GRANDPA and they pulled and pulled (sing song).

But they could not pull the TURNIP out.

So, they called GRANDSON to help. GRANDSON held on to GRANDMA, GRANDMA held on to GRANDPA, and they pulled and pulled (sing song).

But they could not pull the TURNIP out.

So, they called PUPPY to help. PUPPY held on to GRANDSON, GRANDSON held on to GRANDMA, GRANDMA held on to GRANDPA, and they pulled and pulled (sing song).

But they could not pull the TURNIP out.

So, they called KITTY to help. KITTY held on to PUPPY, PUPPY held on to GRANDSON, GRANDSON held on to GRANDMA, GRANDMA held on to GRANDPA, and they pulled and pulled (sing song).

But they could not pull the TURNIP out.

So, they called MOUSIE to help. MOUSIE held on to KITTY, KITTY held on to PUPPY, PUPPY held on to GRANDSON, GRANDSON held on to GRANDMA, GRANDMA held on to GRANDPA, and they pulled and pulled (sing song).

And they pulled the TURNIP out! (strike all instruments once together*)
