510L 

"Terrific," says Eugene when he wins an all-expenses-paid cruise to Bermuda. "I'll probably get a really nasty sunburn." But Eugene's luck is much worse than that. His ship sinks, and he ends up stranded on a tiny island.

AD420L 

Olive learns the hard way that keeping secrets is tough and telling them can make for a whole lot of trouble!

470L 

Mole digs with his new shovel, finding useful things for the other animals and a new friend for himself.
When a princess makes some lemonade, she starts a chain of events involving a fire-breathing dragon, one hundred rabbits, a hungry giant, and a handsome knight.

A toddler's antics keep his mother busy as she tries to feed him, watch him on the playground, give him a bath, and put him to bed.

A series of increasingly far-fetched events might occur if someone were to give a cupcake to a cat. If you give a cat a cupcake, he'll ask for some sprinkles to go with it. When you give him the sprinkles, he might spill some on the floor. Cleaning up will make him hot, so you'll give him a bathing suit . . . and that's just the beginning!

One child. One swing. An obliging dad. The inevitable plea to go "Higher! Higher!" Add Leslie Patricelli's wildly expressive illustrations, and an everyday pastime reaches new heights of humor and whimsy. How high can it go? Higher than a giraffe? Taller than a mountain? Is Earth the final frontier?

Three goats escape from their pen and visit a fair, but they run back home after they seem to encounter an ogre.

Pleased with his success in riding a bike, Duck decides to drive the farm tractor, and invites all the other farm animals along for the ride--all the way to town.

A boy and his father lift one another's spirits by going sledding on a winter's night.
E  T3824C  
A wordless picture book about three children who go to a park on a rainy day, find some chalk, and draw pictures that come to life.

E  W661W  
Clever muskrat outwits a hungry tiger with his story. "I'm going to eat you, little muskrat," said the tiger. "Wait!" said the muskrat. "I want to tell you a story." "Okay," said the tiger, "but make it quick!" Clever muskrat! He knows just how to outwit a very hungry tiger: tell him a story. Silly tiger! Tigers shouldn't listen to muskrats and their stories...especially clever muskrats with clever stories.

E  Y103E  
Every Friday a father and his child share a special ritual.

**NONFICTION**

398.2  AA72W  
Reveals the meaning of the mosquito's buzz.

**CUMMULATIVE STORY**

Each time a new event occurs, all previous events are repeated.

E  B3838M  
When a storm comes, Rover expects to have his doghouse all to himself but finds that various other animals, including a skunk, come to join him. It's raining cats and dogs! Good thing Rover is snuggled safe and dry inside his doghouse--until, one by one, a soggy menagerie of creatures shows up looking for a cozy place to sit out the storm. But who's the very unwelcome surprise visitor? Skunk, of course. Suddenly that doghouse isn't quite so crowded after all!

In this variation on the traditional cumulative rhyme, a greedy, hungry dragon eventually learns moderation.

In this most famous of cumulative tales, the list of places to enjoy green eggs and ham, and friends to enjoy them with, gets longer and longer. Follow Sam-I-am as he insists that this unusual treat is indeed a delectable snack to be savored everywhere and in every way.

In this cumulative tale, a wakeful flea atop a number of sleeping creatures causes a commotion, with just one bite.

*NONFICTION*

A freshly bake gingerbread man escapes when he is taken out of the oven and eludes a number of pursuers until he meets a clever fox.

Simple rebus illustrations are used to present the familiar cumulative nursery rhyme about the antics that go on in the house built by an unsuspecting Jack.

A cumulative rhyme summarizes the life's work of renowned Mexican potter, Juan Quezada.
FAMILIAR SEQUENCE STORY
This book is organized around a recognizable theme or concept, such as
days of the week, numbers, the alphabet, seasons, opposites, etc.

EASY

AD520L Blackstone, Stella. *Skip Through the Seasons*. Cambridge, MA: Barefoot

This hide-and-seek book is full of things to look at and talk about as you
journey through the changing year. In every scene, there are different items to
find. Learn all about the seasons as well as calendars through the ages in the
fun and informative notes at the end of the story.

AD460L Blevins, Wiley. *The Not-So-Right Day*. South Egremont, MA: Red Chair

Milo likes to do things in the right order. His little brother Iggy has his own
way of doing things. Children will see themselves in Milo or Iggy. And at the
end of the day, either way is just fine. This book introduces young children to
the basic concept of sequence.

In search of the perfect place to lay her egg, Tillie the chicken leaves the
barnyard and explores the farmhouse.

A rhyming countdown of the days of the week as a father and child find ways
to spend time together while waiting for the weekend.

The progress of time is illustrated by a sequence of objects and themes,
including stream/river/ocean and street/highway/bridge.

Invites the reader to count the inhabitants of a garden, from one to ten, such as
four bunnies and nine inchworms.

Through a series of ingenious die-cut pages, the reader discovers things that are the opposite of what they seem: A black bat transformed into a white ghost, a sunny day that becomes a starry night. Posed as a series of 18 questions and answers.

One frog, two owls, three geese are joined by increasingly larger numbers of different animals that keep ten campers from falling asleep in their tent.

Cookie the cat gets into a different kind of mischief every day of the week.

**NONFICTION**

At a family reunion, the cousins line up in order of their ages to get their pictures taken, introducing the concept of numerical order.

Animal illustrations help to introduce young children to the sequence of the days of the week and calendar through repetition and phonics.

In Taro Miura's deceptively simple book children will discover more than sixty different tools, both familiar and new. Even the youngest readers will find the striking images engaging, and older children will be fascinated by the chance to guess which profession uses each set of tools before they turn the page.

Each day of the week brings a new food, until on Sunday all the world's children can come and eat it up.
PATTERN STORIES
Scenes in the story are repeated with some variation.

EASY

Mimi is on a field trip to a farm. There are so many animals. Help Mimi discover patterns as she encounters all the animals on the farm. This book introduces young children to the basic concept of patterns.

A mouse searches everywhere for a friend.

Hattie, a big black hen, discovers a fox in the bushes, which creates varying reactions in the other barnyard animals.

Children will know and love the familiar characters—three pig brothers and one huffing-puffing wolf—and they will giggle over the funny, new dialogue and cartoon like illustrations, which put a fresh, modern twist on the classic tale.

Two unseen characters argue about whether the creature they are looking at is a rabbit or a duck.

A young dinosaur takes on many challenges and wins every time. Then Dinosaur faces his toughest challenge of all: bedtime.

Little Red Chicken wants Papa to read her a bedtime story but interrupts him almost as soon as he begins each tale.
Cow, Pig, Duck, and Mouse are afraid to retrieve their ball when it goes into the dog's house, but when they do go in they are pleasantly surprised.

In simple text a set of animals, each one linked to the previous one by some trait of shape, color, or pattern, greet and interact with one another.

These monsters are having a blast! Can you help them spot patterns at this birthday bash? Play a fun game and have a sweet treat. Finding party patterns can't be beat!

A picture book about transformations.

While enjoying a morning together, a little boy asks his grandfather a series of questions about how things got to be the way they are, such as tall trees, deep holes, and big dinosaurs in the museum they visit, but Grandpa's answer is always the same.

A young boy's questions lead to more and more questions, but there do not seem to be any answers.

Persistent young Edward has many questions for his sleepy mother, many of which are answered, "Because it's night time."

A story about many different sheep, and one that seems to be missing.

A lonely little mouse has to be resourceful in order to bring his family back together.

Invites young readers to identify shapes while helping a small girl search the fair for her pet monster.

Detailed collage illustrations accompanied by simple text present expanding views of familiar objects in nature, such as a bug and a flower.

Children see a variety of animals, each one a different color, and a mother looking at them.

To an imaginative bunny, a box is not always just a box.
