- Appleman, Deborah. *Reading Better, Reading Smarter: Designing Literature Lessons for Adolescents*. Portsmouth, NH: Heinemann, 2012. LB 1632 .A674 2012
- Reading Better, Reading Smarter addresses all areas of planning and implementing Scaffolded Reading Experiences (SREs) and prepares teachers to create their own SREs to scaffold their students' reading. By considering the text, their students, and the purpose of the lesson, teachers will be able to create appropriate scaffolding for each reading experience their students face. This widely applicable text includes twenty-two types of pre-, during-, and postreading activities designed to lead students to success examples of each activity along with information on how to create each type of activity detailed classroom lesson plans and explanations of what an SRE is and what it is supposed to do guidance for evaluating and assessing the difficulty of texts and ways for evaluating student performance.
