Printing in Joyner Library

About the Quota:

ECU has implemented a printing quota for students which limits free printing to 1,250 black and white pages per Academic year. (August 1st through July 31st) This equates to a credit of $25.00 per year for printing.

Printing costs are: $0.02 for BW, and $0.10 for Color.

How it works:

All students will receive $10.00 for Fall and Spring semesters, and $5.00 for the Summer. Any balance not used after Fall or Spring will roll over to the next semester. However, on August 1st of each year, the balance will reset back to $10.00 for the Fall Semester. This effectively gives each student one ream of paper during Fall and Spring, and 250 sheets for the summer. If you’ve exhausted your quota for the semester, you can add money to your account at http://pirateprint.ecu.edu. NO REFUNDS, this is a campus policy, however if you have a major printing error, like losing 50 or more pages due to printer failure, you may put in a ticket at http://ithelp.ecu.edu to request the refund.
