The number of awarded credits in Blocks 1-5 must total between 120-128, which is the number of credits required to earn a BSN from the UNC constituent institution's RN to BSN program.			

A minimum GPA of 2.5 is required for admission to ECU.

¹Individual nursing programs may require a maximum of 2 courses or 6 credits to meet school specific degree requirements that are not part of the RN to BSN Articulation Agreement. In no case will these additional requirements necessitate completing more than 128 credits in order to earn a BSN. ECU does not require courses beyond those reflected in the RN to BSN Articulation Agreement.

Grade of "C" or higher required to receive credit in transferrable courses. ECU requires a minimum 2.0 GPA for graduation. A student's cumulative GPA (including community college courses) will be calculated in the admissions decision.
