

Joyner Library Procedure Manual

300.10.20

Subject: Federal Documents

Title: Access to Electronic Federal Government Information

Operational Procedure - Date Adopted by the EHRA Assembly: 12/5/2002

Date Revised: 10/2/2014; 4/2/2020

1. As a member of the Federal Depository Library Program, and in accord with ECU's mission to serve the broader regional community, Joyner Library will provide at least the same level of access and service for electronic federal government information as it does for other electronic resources. This includes, but is not limited to, the ability to access federal government information in electronic formats from workstations within the library and a commitment to provide users with research and other assistance. These services will be provided without charge, except for specialized functions such as printing.
2. Web-based federal government information products will be made fully accessible via the Joyner Library website.
3. Electronic documents available on tangible format (such as CD-ROM) will either be made accessible via selected library workstations or allowed to circulate on an as-needed basis.
