

Joyner Library Procedure Manual

300.55

Subject: Joyner Library Accessibility Procedure

Title: Accessibility Procedure

Operational Procedure - Date Adopted by the EHRA Assembly: March 26, 1992

Date Revised: March 23, 2017; editorial, October 24, 2019

Joyner Library, in conjunction with ECU Disability Support Services (<https://dss.ecu.edu/>) will provide, whenever possible, equality of opportunity for all patrons with disabilities and assure their full access to the services and materials of the library.

When services cannot be adapted, alternate methods of access to library services and materials will be provided when possible so that patrons with disabilities may be able to make effective use of the library. More information about Joyner Library's disability services can be found at <https://library.ecu.edu/services/disability-services/>.
